---

Part of IBC's 5th Annual EduCon Asia, the **9th Higher Education Summit** is designed to increase learning outcomes and networking opportunities across the education value chain. Get unparalleled insights on accessing growth markets, new approaches to increasing student enrollment, faculty development, implementing digital solutions, and much more.

With 250+ participants expected for EduCon Asia, this remains the region's top event that brings together a global gathering of both public and private educators.

**Conference Highlights:**

- 3 Co-located conferences, 60+ expert insights, 250+ participants
- Shifts in student mobility, enrollment outlook, and growth markets
- Successful models in unbundling degrees and customizing courses
- Pricing strategies, and new sources of funding
- Design and technology trends in facilities and infrastructure
- Gamification, Augmented Reality and AI – how impacted are we, and how to make it happen?
