

Transforming Education for the Next Wave – Benchmarking for Success

Thursday 12 October 2017

**PSB Academy City Campus
Lecture Theater 4**

6 Raffles Boulevard, Marina Square, #03-200, Singapore 039594

CONFERENCE SYNOPSIS

- What can we expect in the next wave?
- Emerging trends that will influence the education landscape
- Industry-relevant thinking behind effective benchmarking
- Seeking out best practices to transform education delivery

Disruptions and unexpected external circumstances have already occurred even before we enter the next wave. Benchmarking and collaboration could be THE way to prepare ourselves for it. Realistically we know the challenges to this.

This Conference aims to trigger our mindsets' transformation. Join fellow associations' members, education and service providers as we come together in this 1-day conference.

TOPIC SYNOPSIS

“Plagiarism and Copyright Concerns in Online and Blended Learning”

Mr Samuel Seow

Managing Director, Samuel Seow Law Corporation

Samuel will speak on what education providers need to bear in mind as we evolve our course delivery methods together with the changing education landscape. He will touch on the topics of plagiarism and copyright concerns with the increased use of online and blended learning during his presentation.

“The Importance of Collaboration Between the Education Sector and Industry on a Multitude of Fronts”

Mr Barapathan Pasupathi

CEO, Jetstar Asia

The topics that Bara will cover include:

- How can institutions, industry and private organisations collaborate, develop and cross-train the workforce for tomorrow?
- Are we asking too much from the education system on career relevant skill sets?
- What role should the education system play here?
- Do we adequately equip our students for the future workplace?

“Staying Relevant in the Industry: Importance of Being a Learning Organisation”

Mr Anderson Tan

President, SAPTCO Singapore

Anderson will speak on the need for education providers to realize the importance of being a learning organization. This would enable us to be able to stay relevant to the industry and our students’ learning.

“Best Practice: Benchmarking of Outcomes and Indicators”

Mr Marcus Ngiow

Director, Quality and Planning, LASALLE College of the Arts

Marcus will share one of LASALLE’s Quality Assurance mechanisms – its best practice of the benchmarking of its outcomes and indicators.

“Best Practice: Strategic Planning and Monitoring Processes”

Mr Brian San

Vice President, Corporate Strategy and Partnerships, PSB Academy

Brian will share PSB’s best practice in terms of its strategic planning and monitoring processes.

“Marketing Insights and Intelligence to Creating a Culturally Diverse Group of Students”

Mr Christopher Pitt

Sales Director, Asia, Hotcourses Group

Chris will share market intelligence and trends from the new Hotcourses Tool - Insights . He will talk about the importance of accessing multiple data sources and how they can impact your day to day marketing decisions.

“Best Practice – Blended Learning”

Mr Christopher Harris

Executive Dean, Schools and Senior Director, Industry Engagement of Kaplan Singapore

Chris will share Kaplan’s best practice of blended learning and some of the latest research in this area.
