

Hi Colleagues,

**Asia's largest education conference is back in person!**

In November 2022, **EDUtech Asia** is back in person. Leading minds in education from across Asia will be presenting stories, showcasing innovation, and inspiring educators. Plus, the very best EdTech solution providers will be demonstrating the latest technology innovations that are changing the way education is delivered.

Join us and accelerate a change in education across Asia.

**SAPE MEMBERS ENJOY AN ADDITIONAL 15% OFF PREVAILING RATES**

**GET YOUR TICKET NOW WITH PROMO CODE "EDUXSAPE"**

Remember to insert promo code: **EDUXSAPE** at check out. If you encounter any problems, please feel free to contact [Therese.ledesma@terrapinn.com](mailto:Therese.ledesma@terrapinn.com)

**7 themes packed with ideas, inspiration, and innovation**

**Leaders**  
Debate the future of education, how technology is facilitating a change in education delivery and future-proof institutions in the age of digital disruption.

**Smart Learning & Digital Pedagogy**  
Effectively harness data and personalise learning, optimise your student engagement strategy and facilitate learning in a hybrid space.

**People**  
The heart of any institution, the people. Learn about institutional wide wellbeing strategies, developing digital competencies in staff and students alike.

**IT & Digital Leaders**  
Hear from senior IT leaders on driving successful digital transformation, planning for digital campus and how to keep stakeholders safe and secure online.

**People K-12 Hybrid Learning**  
Discuss the impact hybrid will have on curriculum, delivery methodology and student engagement. Build a technology-enabled curriculum to personalise learning.

**HE Data and Planning**  
A look into key factors relating to planning and strategy, and how Higher Eds can leverage data and analytics to enhance resource allocation and productivity on campus.

**HE Digital Assessments**  
Discover how to design and implement authentic online and digital assessments. Develop alternative assessment methods with students and promote academic integrity in an online environment.

**Download brochure here**
